Pupils are rewarded

CHARITY: Children at a number of Bradford schools have been rewarded for their fundraising efforts by the Human Relief Foundation, based in Great Horton. In total, youngsters from 14 schools have collected more than £6,500 for orphans in Iraq, Lebanon and Kashmir. Project manager Yousaf Razaq handed out prizes to children at Girlington, Princeville, Frizinghall and Killinghall Primary School, pictured above, as well as students at Belle Vue Boys and Bradford Grammar. Mr Razaq said: "The projects that are carried out with the money will be a continual testament to the hard work of all parents, teachers and students who have been involved."
